

Omkar Khadamkar

UX Design Experience (9+ years)

Skyhigh Security | Sr UX Designer & Design System Lead

Nov. 2022 - Present [Bangalore \(Remote\)](#)

- Redesigned the SSE platform and extended products to make them easy to use and navigate, fostering a playful and collaborative team environment.
- Led UX design for the FWaaS and Private Access features.

VMware | UX Designer

Dec 2020 - Nov 2022 [Pune](#)

- Designed desirable, feasible, and viable UX guidelines for the NSX networking and security enterprise product, helping users to quickly and easily find the information they need.
- Designed a novel network status visualisation that helped VMware to secure a patent, providing users with a clear and concise overview of their network health.

Factset | Sr. UX Specialist

Oct 2020 - Dec 2020 [Hyderabad](#)

- Quickly developed and delivered visual design guidelines to interaction designers and developers, ensuring consistency and efficiency across the product portfolio.
- Collaborated with a cross-functional team to design cross-device UX workflows for enterprise solutions users.

Valuelabs | Sr. UX Designer

Jun 2019 - Oct 2020 [Hyderabad](#)

- Designed a wide range of UX workflows and components for enterprise companies from various domains, helping businesses to improve their efficiency and productivity.
- Teamed with the design lead to design and document a delightful onboarding experience.
- Won the design for social innovation award at the UX design India competition.

Frolic | Founding Designer

Sept 2017 - Jan 2019 [Bangalore](#)

- Collaborated with founders, customers, and designers to design the brand identity of a food-based consumer brand, creating a visually appealing and memorable brand experience.
- Designed the brand guidelines for the online store and social media presence.

Shankara | UX and Brand Designer

May 2017 - Jul 2017 [Bangalore](#)

- Teamed with leadership, marketing, and production executives to design highly desirable and cost-effective guidelines for a luxurious cosmetic brand, developing a brand identity that resonates with target customers.
- Designed the packaging, in-store, and web presence for the brand.

Future Group | Assistant Design Manager

Jul 2013 - Apr 2016 [Mumbai](#)

- As part of a large retail design team, designed guidelines for manufacturers and buyers to create and examine apparel samples, meeting the tight deadlines of the fast fashion industry.
- Volunteered to design UX guidelines to manage the merchandising process for retail buyers and merchandisers.

Onio Design | Graphic Designer

May 2012 - July 2012 [Pune](#)

- Learned the practical nuances of the industry by designing iconography, banners, and wall graphics for the celebration of '15 years of innovation in India'.
- Volunteered to create design guidelines for corporate gifting cards.
